was one of these experimental farmers, who spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

A few more showers today; cooler.

What Dr. Nott Stated: I Can, Only in a Few Cases, Grow Hair on a Bald Head, But I Can Always Save What You Have, and I Never Failed to Restore Gray Hair to the Vigor and Color of Youth.

The most beautiful face appears plain indeed if not crowned with a head of luxuriant hair. One of the greatest charms of a beautiful woman is her hair; no woman can be said to be a specimen of feminine beauty who has short, thin, straggly hair. When we speak of a Delilah, we call to mind the image of some fascinating circe with long, wavy, luxuriant the bride is a most excellent and charming tresses. Falling hair as well as gray hair young woman. rings the death knell of feminine charm, beauty and vigor.

Q-Ban Hair Restorer will make gray-haired people look youthful, and after it has done its work no barber, physician or specialist cin perceive the work of art or medication. No woman need be without a luxuriant head of hair if she can obtain Q-Ban Hair Tonic. Falling hair it corrects after one or two app'ications and it increases the strenth, length, vigor and thickness of the hair.

Any druggist will assert, that if six bottles of Q Ban Hair Restorer does not change gray hairs to a youthful color, and that if both the Restorer and Tonic do not arrest failing hair, cure dandruff, etc , that your money will be refunded if you have used up to the sixth bottle. You know your druggist-ask him.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it. For sale at all drugg sts.

QUALITY GROCERS

Governor Willson has appointed Postmaster Homer B. Bryson of Carlisle one of the delegates to the Seventeenth National Irrigation Congress to be held at Spokane, Wash., August 9th to 14th.

Failure to inclose tinseled or frosted posteards in tightly sealed envelopes to prevent the escape of particles of tinsel, mica and the like, as required by the postal regulations, is causing from 15,000 to 20,000 of such cards to be withdrawn from the mails and sent to the dead letter office of the Postoffice Department at Washington every day. The tinsel escapes into the air in postal cars, thereby · using inflammation of the eyes of mail clerks.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys.

That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case

Frederick Dresel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pilis to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to ing a friend of my condition, he advised he to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief.'
